6. Candidates anxious to assure themselves that their applications have been received should enclose an *addressed post card with their respective applications.* The post card should bear the sender's *address only and no other writing.* Such post cards will be returned to them in due course with an impression of the office stamp upon them. No other form of acknowledgment, except that required by the postal rules regarding registered covers will be given, nor will any notice be taken of any letter from any candidate enquiring whether his application has been received. *Insufficiently stamped covers will be rejected.*

7. The application fee must be paid into a District or Taluk Treasury of the Mysore Government and the application forwarded to the Secretary with the seal of the treasury and the signature of the Treasury Officer, in column 11 thereof in evidence of the fee having been so paid. The fee should, on no account, be remitted to the Secretary.

8. The fee paid by candidates will not be refunded except in cases provided for by the rules. No refund of the fee will be allowed under any other circumstances, nor will any excess fee that may have been inadvertently paid into the treasury be returned. The fee paid for one examination will, under no circumstances, be reserved or credited for any other examination.

9. Candidates are warned that applications received by post or otherwise after the due date or unaccompanied by all the necessary certificates will be rejected.

10. No application for a change of centre will be entertained after the 10th November 1934.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No 511, *dated Oorgaum 14th September* 1934.

Instances have come to the notice of this department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the Local Police Authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930 have prohibited within the Mysore State the manufacture, possession and importation of any explosive consisting of or containing sulpur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as ("Pattas" or "Bellulli Pattas"—throwdowns or small bombs) consisting of a mixture of Pottassium chlorate (ಪೊಟಾಸ್‌ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮಣಿಕೆ, ಹರಿಪಳ) or sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban Festivals, timely warning is hereby given to all persons concerned not to manaufacture, possess or sell this dangerous explosive.

Any persons manufacturing, possessing or importing such a mixture will be punished according to Law.
